About the Seminar

The International Seminar on “Re-imagining Higher Education and Beyond: Strategies for Future-Proofing of the Indian Higher Education Ecosystem” is designed as a platform for academicians, researchers, policymakers, and practitioners to discuss the changing landscape of higher education in India. It focuses on digital learning, interdisciplinary education, skill development, research innovation, and policy reform to build a more resilient and future-ready system.

Objectives of the Seminar

To examine the current challenges and opportunities in Indian higher education.

To explore innovative and technology-driven approaches to improve multidisciplinary education, teaching, learning, and research.

To promote interdisciplinary and skill-based education aligned with global standards and industry needs.

To discuss policy frameworks and reforms for a more inclusive and resilient education ecosystem.

To encourage collaboration among academicians, researchers, industry experts, and policymakers.

About Geetanagar College

Geetanagar College formerly Kanya Mahavidyalaya was established in 1977 with the vision of promoting Women's Higher Education. Guided by Eminent Educationist and Educational Administrator, Padmashree Indira Miri and Suchibrata Raichoudhury, the Institution has built a proud legacy of fifty years of academic excellence. Renamed as Geetanagar College from the academic session 2024-25, it is now a co- educational institution and NAAC accredited in the year 2023 with grade B (CGPA 2.34) and at present actively implementing NEP-2020. Now under the competent Leadership and administration, present Principal Dr. Satyajit Kalita, the college has all the scope to establish itself as an institution of excellence.
